## SOLID FOUNDATIONS

### NEW ACTIVITIES BUILDING & VETERAN'S MEMORIAL PARK

Construction of New Veterans' Memorial which is to include five different sections for all five military services and contain granite pillars with veteran's names to be engraved on them. There will also be a New Activities Building that can be utilized to house various activities and events. This project is being managed by Ross Bowers and Supervised by Kris Korpinen. It is scheduled to be complete by September this year.

### NEWMAN UNITED METHODIST CHURCH

This project consists of a New 5700 sq. ft. pre-engineered metal building which includes a multi-use room, youth room, classroom, and warming kitchen. It is being Managed by Doug DeSoto and Supervised by Eddie Arguello. It is scheduled to be complete by June 2019.

### FOX'S PIZZA

This project consists of constructing a new Fox's Pizza Den from the ground up. Work begins with demolition of an existing concrete parking lot, excavating as required to change the elevation of the site to build a new wood frame and EIFS structure with brick accents. The project is being managed by Will Jenkins and Supervised onsite by Steven Jackson.

CPSD SECURITY WINDOWS & DOORS

DEQUINCY HS AUDITORIUM ROOF REPLACEMENT

NSU NEW ELEVATOR - TEACHER'S ED CENTER

STBSP CABIN STABILIZATION PH II

## MESSAGE FROM JASON...

I just returned from the 3rd Annual Crawfish Boil and I don't know where to begin as it relates to my feelings about you all. I saw so many happy men, women and children. Everyone was enjoying themselves and it made me step back a moment to realize how thankful that I am to be part of such a great group. I can't thank you all enough for all your hard work. I hope you all had as much fun as I did!

Entering the second quarter of 2019, I am so excited about what the future holds for PWC. We continue to secure new projects and attract new people that want to be part of our team. All of these great things that are happening, is because of our great people. This is not luck! PWC's desire to be great is making great things happen for the company.

Sincerely,  
Jason Williams
