## MESSAGE FROM JASON...

Happy New Year!! As we begin 2019, I cannot express how excited that I am. We are breaking ground on several new projects in which we were hand picked to build. Our reputation for quality and good people is spreading throughout Central and Southwest Louisiana like wild fire. Our goals for our company are coming to fruition! This is all attributed to the hard work and dedication of the employees at Pat Williams Construction. Thank you so much for your dedication in making Pat Williams Construction the State's premier contractor.

Sincerely,  
Jason Williams
